

T&G HORECA

PRESS PACK AMBIENTE 2024

HALL 9.0, STAND B24

T&G HORECA

Welcome to T&G HoReCa where quality, beautiful design and responsible sourcing are at the heart of our hospitality products. T&G is a Bristol, UK based company that creates exceptional quality catering equipment. You'll find us in Hall 9.0, stand B24 . Patrick Gardner started T&G Woodward 48 years ago and is still the Managing Director today. We are very much a family run business and extend this culture to include our partners and customers alike.

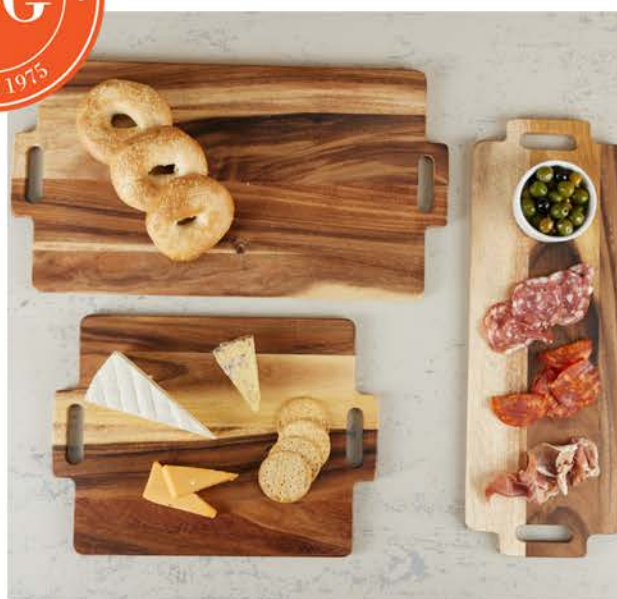

Whether it's front of house or back of house, table service or tools; T&G have a variety of products that are durable and easy to use. All T&G products have been designed in the UK and manufactured with style, quality and function in mind.

T&G can also produce bespoke and branded products to order, subject to minimum quantities and lead times. To see the full T&G range please request a copy of the T&G catalogue and T&G mill catalogue or visit our website: tg-woodware.com

T&G has always placed great importance on quality product, responsible sourcing, service and value. Dedicated to providing our customers with the very best products that are built to last.

Connect System

Are you looking for the newest innovation in catering displays? Look no further as we have our NEW! Connect display system. This versatile system allows you to 'Build your Way', creating stunning buffet and counter displays that can be high and wide.

Crafted from rustic acacia wood, the double handled boards connect to cleverly designed blocks for presentation or they can be used separately to create canape boards, sharing boards, tasting menu display boards and serving boards. With its warm, natural materials, the Connect system looks amazing in any setting.

Platters/Trays

Stylish revolving platters, large metal handled boards and display platters/trays are made for sharing.

No need to pass plates around the table, these boards are made for sharing, creating a warm and engaging atmosphere during any meal. With a large surface area these boards and platters provide the perfect surface for serving an array of delicious appetizers, meats, cheeses, fruits and desserts.

Elevate your food presentations with T&G's stunning boards, trays and platters.

100% Recycled Glass

Introducing our 100% recycled glass tableware. The leafy tones and organic shapes bring the beauty of nature to your table, whilst making a positive impact on the environment. Made from 100% recycled glass, we invite you to join us on our journey to a sustainable future. Look out for matching items, every piece makes a great gift.

Preparing, Serving & Sharing Boards

At T&G we have a wide range of preparing, serving and sharing boards suitable for many hospitality settings. Available in acacia, rustic acacia, hevea, beech and oak combining design, functionality, and versatility. These boards show the beauty of the grain and rich natural colors. Perfect for preparing, serving, and sharing culinary delights, their elegance and durability, elevate any dining experience. Enjoy the timeless appeal of T&G's wood boards.

New for HoReCa 2024

Introducing some of our new products suitable for HoReCa customers. From a metal handled caddy, taco display board and drinks paddle board to display discs and signs.

Laser Engraving

Your Design on Our Products

How it Works

With our in-house laser machine we can engrave your design, add branding or text to many of our products. Small quantities and a quick turn around are possible.

T&G Classic Mills

T&G Classic mills are available in a choice of different materials including crystal clear acrylic, hevea, beech, copper finish and coloured wood. T&G Classic mills are designed to reflect all tastes from the classic capstan to the stylish acrylic, on trend copper and organic shape wood mills. All T&G Classic mills have fully adjustable ceramic mechanisms, so no metal grinders to corrode, no plastic grinders to wear out and all come with a lifetime mechanism guarantee.

T&G CrushGrind® Mills

T&G's CrushGrind® mills Collection is a beautifully sleek and modern range of pepper and salt grinders.

The CrushGrind® ceramic mechanism allows you to effortlessly grind not only salt and pepper but also using the same grinder, whole dried herbs and spices. T&G's CrushGrind® mills lead the market in terms of Design, function and quality. Each T&G CrushGrind® mill comes with a lifetime mechanism guarantee.

Why choose T&G.....Our T&G CrushGrind® Apollo mill has won many awards. Our FSC® certified beech “TV boards” as used on many TV cookery programmes, have been an industry icon since 1979. All these products and many more have gone on to become design classics. With over 47 years in business, there aren’t many kitchens that won’t have one of our products!

Sustainability concerns are central to T&G. We have held FSC® certification since 1999, with over 80 of our products carrying the FSC® logo. The Forest Stewardship Council® is an international non-governmental organisation that promotes environmentally appropriate, socially beneficial, and economically viable management of the world’s forests. To learn more, visit www.fsc.org and look out for the FSC® logo throughout our catalogues and website.

We cannot emphasise enough how much care and attention goes into designing and manufacturing our products and how much we obsess about every detail. We are passionate about our brand and products. T&G are delighted to be exhibiting at Ambiente 2024. We look forward to welcoming you in person and showing you our new collections.

We would be happy to provide digital images or samples of any of the products featured in the Press Pack.
