These boards show the beauty of the grain and rich natural colors. Perfect for preparing, serving, and sharing culinary delights, their elegance and durability, elevate any dining experience. Enjoy the timeless appeal of T&G's wood boards.

# FSC Certified Beech and Cork

The mark of  
responsible forestry

As an advocate for sustainability and having FSC® certification since 1999, we have a stylish collection of FSC® certified beech boards, mills and cork. T&G's FSC® certified beech mills collection, is a beautifully sleek and modern range of pepper and salt grinders. Perfect for the environmentally conscious customer. The oiled finish on our beech boards brings out their natural colour and highlights the beautiful authentic grain. They will look as beautiful displayed on your kitchen counter as when they are taking centre stage on your dining table. FSC® cork table mats and coasters are stylish and protect surfaces from heat and spillage.

# Laser Engraving

## Your Design on Our Products

### How it Works

With our in-house laser machine we can engrave your design, add branding or text to many of our products. Small quantities and a quick turn around are possible.

# T&G CrushGrind® Mills

T&G's CrushGrind® mills Collection is a beautifully sleek and modern range of pepper and salt grinders.

The CrushGrind® ceramic mechanism allows you to effortlessly grind not only salt and pepper but also using the same grinder, whole dried herbs and spices. T&G's CrushGrind® mills lead the market in terms of Design, function and quality. Each T&G CrushGrind® mill comes with a lifetime mechanism guarantee.

# T&G Classic Mills

T&G Classic mills are available in a choice of different materials including crystal clear acrylic, hevea, beech, copper finish and coloured wood. T&G Classic mills are designed to reflect all tastes from the classic capstan to the stylish acrylic, on trend copper and organic shape wood mills. All T&G Classic mills have fully adjustable ceramic mechanisms, so no metal grinders to corrode, no plastic grinders to wear out and all come with a lifetime mechanism guarantee.

**Why choose T&G.....Our T&G CrushGrind® Apollo mill has won many awards. Our FSC® certified beech “TV boards” as used on many TV cookery programmes, have been an industry icon since 1979. All these products and many more have gone on to become design classics. With over 47 years in business, there aren’t many kitchens that won’t have one of our products!**

**Sustainability concerns are central to T&G. We have held FSC® certification since 1999, with over 80 of our products carrying the FSC® logo. The Forest Stewardship Council® is an international non-governmental organisation that promotes environmentally appropriate, socially beneficial, and economically viable management of the world’s forests. To learn more, visit [www.fsc.org](http://www.fsc.org) and look out for the FSC® logo throughout our catalogues and website.**

**We cannot emphasise enough how much care and attention goes into designing and manufacturing our products and how much we obsess about every detail. We are passionate about our brand and products. T&G are delighted to be exhibiting at Ambiente 2024. We look forward to welcoming you in person and showing you our new collections.**
